**AVA:** Red Mountain

**Harvest Date:** September 8, 2015

**ABV:** 13.6%

**Production:** 195 cases

**pH:** 3.59

### Winemaker Notes

You are in a cabin on the coast surrounded by wild blueberries and red currants. A breeze whips off the sea and past the pine trees, through the linen curtains, and over the open jar of Herbs de Provence to where you are sitting in a well-loved leather chair. That is what our 2015 Mourvèdre smells like. A hard act to follow, but the structured palate manages to deliver, with savory notes of tar and leather, as well as sweet, bright flavors of tight red fruits.

### Viticultural Area

Planted and run by the Williams family, an early proponent and developer of the Red Mountain AVA, and situated halfway up the mountain's slope, this vineyard's fantastic exposure and distinct soil characteristics make for some of the best Mourvèdre grapes around. This vineyard is managed by Scott Williams.

All of Helioterra wines are made naturally, meaning we do not use inoculated yeasts or bacteria. We use only native yeast to spark fermentation and we do not add any powdered tannins or enzymes.
